### **YOUTH SIGN IN/SIGN OUT POLICY**

It is the policy of the \_\_\_\_\_ Chapter, Delta Sigma Theta Sorority, Incorporated that all participants (youth, members, and other volunteers) and visitors must sign in and out of its \_\_\_\_\_ Youth Initiative Program (“Program”). The required sign in/sign out procedures are as follows:

- . The chapter shall maintain and use a sign in log that reflects the following: name of the youth initiative; the date; the time in and the time out; and the names of the participants, with a column for the participant and visitors to check her/their status (as member, youth, volunteer, or visitor). The form should distinguish whether a member is assisting with the Program or is a visitor/observer.
- . Only authorized persons (those identified in writing) will be allowed to pick up a participant from the Program. Volunteers shall refuse to release a participant to any person, whether related or unrelated to the youth, who has not been authorized, in writing, by the parent or guardian to receive the youth.
- . One of the following procedures shall be observed during departure and return:
  - a. Parents or an authorized representative will sign out youth.
  - b. Older youth who have written parental permission will be allowed to leave the program on their own. Members will establish a system where the youth check themselves out with an approved volunteer; the approved volunteer will ensure that the youth signed out and initialed the attendance sheet.
  - c. When Chapters provide transportation to off-site sponsored events, members will develop and implement a system to ensure that all youth participating for the day board the correct bus or other vehicle at the time of departure to and return from a scheduled activity.
- . **Failure to pick up your child at the conclusion of a session or activity will result in contact being made with the local police department and/or child protective services.**
- . If a parent or guardian wishes to arrange alternative transportation for their child to attend an off-site activity, the youth may join the group at the event or activity, but the \_\_\_\_\_ Chapter assumes no responsibility or liability for the youth participant for any non-chapter-sponsored activity or transportation.

## APPENDIX C4

### INTERNET USE POLICY

#### 1. Purpose

This policy relates to the use of computers or Internet access through, during, or as part of any Delta Sigma Theta Sorority, Incorporated (“DST”) Youth Initiative Program (“Program”) or sponsored event. The purpose of the policy is to protect the participating youth from gaining access to undesirable materials on the Internet; from making undesirable contacts over the Internet; and to prevent unacceptable use of the Internet by youth participants, including, but not limited to, using the Internet for cyber-bullying. The focus of the policy is on both personal and shared responsibility.

#### 2. Definitions and Illustrative Examples

##### A. Examples of Prohibited Materials

- Pornographic images or obscene images or text on Internet web sites.
- Material that contains abusive, profane, inflammatory, coercive, defamatory, blasphemous, or otherwise offensive language on web sites or in e-mail messages.

##### B. Examples of Prohibited Contacts

- Responding to e-mail messages or solicitations (through advertisements or web postings) from unknown or unverified parties who seek to establish a youth’s identity and/or to communicate with the youth for any purpose.

- Creating and transmitting e-mail messages that contain unacceptable language or content such as that listed above in 2A, bullet 2; and
- Creating and publishing Internet materials that contain unacceptable language and content.

##### D. Examples of Cyber-bullying

Cyber-bullying includes, but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another individual by way of any technological tool, such as sending or posting inappropriate or derogatory email messages, instant messages, text messages, digital pictures or images, or website postings which has the effect of :

**Delta Sigma Theta Sorority, Incorporated**  
**Risk Management Manual Forms**

- Physically, emotionally, or mentally harming an individual.
- Placing an individual in reasonable fear of physical, emotional, or mental harm.
- Placing an individual in reasonable fear of damage to or loss of personal property; or
- Creating an intimidating or hostile environment that substantially interferes with an individual's educational opportunities.

### **3. Unintentional Exposure of Youth to Prohibited Materials on the Internet**

It is Delta's policy that Chapters must undertake every reasonable step to prevent exposure of youth participants to undesirable materials on the Internet. It is recognized that this can happen not only through the youth deliberately searching for such materials, but also unintentionally when a justifiable Internet search yields unexpected results.

To prevent such occurrences the chapter shall adopt the following practices:

**A.** Chapters should use an Internet Provider or software that blocks access by:

- Filtering sites by a grading process, and
- Filtering sites by language content and prohibit sites with unacceptable vocabulary.

**B.** Chapters must strictly supervise Internet usage:

- Adults must strictly supervise youth participant's Internet activity, and there should be no searching of the Internet without a supervisor checking periodically during use and reviewing the sites accessed after a youth logs off.
- Install appropriate language filtering software (e.g., Net Nanny).

### **4. Intentional Access of Prohibited Materials by Youth**

Chapter shall explain clearly and firmly to the youth that they are prohibited from intentionally accessing prohibited material on the Internet. The youth also must be informed that if she/he violates this policy, she/he will be disciplined, and her/his parents or guardian will be notified. Chapters must follow through with disciplining the youth and notifying the parents or guardian.

### **5. Deliberate Access to Prohibited Materials by Adults**

Adults are prohibited from deliberately accessing prohibited materials. Any adult who violates this policy will be terminated as a volunteer.

## 6. Receipt and transmission of e-mails by youth

It is recognized that, even with training and supervision, youth may receive or transmit e-mail messages that contain unacceptable (or even prohibited) language or content. It is also recognized that some people may try to use e-mail to identify and contact children for unacceptable reasons.

To avoid these problems, Chapters should adopt the following practices:

- A. Use an Internet e-mail service that guarantees the bona-fide nature of e-mail communicants and that vets youth's e-mail for undesirable content.
- B. Depending on the circumstances and the age or maturity of the youth, allow youth to read e-mail messages only when an adult is present or when the messages have been previewed by an adult.
- C. Take steps to verify the identity of anyone seeking to establish regular e-mail communications with youth.
- D. Allow youth to send e-mail messages only when the contents have been approved by an adult.

If staff or volunteers believe that youth have been targeted with e-mail messages by parties with criminal or inappropriate intent, **immediately take the following steps**: retain the messages; record the incident by completing the Risk Management incident Report form; inform the youth's parents; report the incident to law enforcement or other local or state authorities, and report the incident to the Chapter president and the Regional Director.

## 7. Publishing Materials on the Internet

No materials, whether created by volunteers or youth participants, that contain any prohibited images, language, or content shall be published on the Internet. Infringement of this rule shall result in disciplinary action.

No materials shall be published on the Internet that reveals the identity of any youth.

## 8. Use of Delta's Internet by Visitors and Guests
